“ I had the honor of my lifetime to spend time with my Aunt Juanita during her last few years of life. She is my mother's sister. Although I do not live in Forrest City, I made it a point to visit her as often as I could. Whenever I would call her on the phone, she always knew my voice. If I had a question about our family history, I could always ask her and she would enlighten me. My sweet memories of her are too numerous to say. Her strength was extraordinary and I admired and loved her so much. I will miss her. Take your rest Aunt Juanita.

“ Ms. Juanita was a women whose kindness and gentle spirit touched everyone around her. Ms. Nita loved spending time outdoors, especially when she was fishing. (I bet Ms. Ida Mae is waiting on her fishing buddy). The peace of the water and the joy of those simple moments reflected who she was-calm and fun to be around. Though she is no longer with us, her spirit lives on in the memories she created and the love she gave so freely. Ms. Nita's legacy is one of warmth, family, and the gentle strength of a beautiful soul who made the world better just by being in it. I love you Nita. Rest in peace. Sharon
