“ *We were just a hop, skip, and a jump away when I first met you. So many memories of bonding and building—it felt more like family than friendship. And as the years went on, that’s exactly what we became: family.*

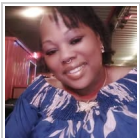

*You always carried a smile, no matter what was happening. You were an outstanding mother, and your legacy will continue through your beautiful daughters.*

*I am truly honored to have been given the opportunity to be in your presence. God has called you home, and you are now at peace in His presence. Until we meet again.*

*Take your rest, Karen. 🕊️*
