“ Mr. Lacy Lucas family and friends, With Heartfelt condolences to you at this time of bereavement. He loved his family, and they loved him dearly. His Legacy will live on through his wife and children and family. They will forever cherish his memories in their heart. He always there when we needed him, especially when we had to go out of town he was always there to see after the home and the animals. When our daughters couldn't get us, they would always call cousin Lacey to come and check on us, no matter what time it was. He will be truly missed our community near and far. Yes we're going to miss those sweet watermelons.
