“ I have nothing but great memories of her she was the best mom a daughter could ever ask for. I have been blessed to have being by her side for the last 7 years taking care of her and sometimes she took care of me. The past 2 years has been a roller coaster of good days and bad days but no matter how much pain she was in or how weak she was she embarrassed every day with a smile on her face. Her favorite saying was if there's a will there's a way and sure enough she was always right. Not a day goes by I don't think of her and miss her terribly. Mom I will always be your baby and you will always be my sunshine when sky's are gray. Love you longest time ever 🥰🥰🥰🥰 love your baby girl Maggie
