“ I am still in disbelief that Rinna has departed this earth. Even I though I know to be absent from body is to be present with the Lord. I have nothing but fond memories of Rinna when she was married to my cousin Clarence. The family gatherings was always a joyous time for us when we all came together on weekends (just because) and holidays. You always made it your business to come by and check on momma when you we're in town or reaching out to me asking me how Aunt Florence was doing before she passed. Your fond memories will forever be held dear. Lifting Tempess , grandchildren, parents, siblings and family up in prayers. May the peace of God bring you comfort.
